

The Board of Directors of

## THE URBAN AGRICULTURE NETWORK

**RESOLVED**, that the Board of Directors of The Urban Agriculture Network hereby commends **Jac Smit** on his outstanding leadership and service to the organization over the past 17 years. Jac's leadership of the world-wide movement to introduce and extend the practice of urban agriculture has been of immeasurable benefit to alleviate hunger, feed the poor, provide employment, and improve health and living conditions for people in developing and developed countries. For Jac's important role as the "Father of Urban Agriculture", the Board of Directors joins people and organizations around the world in offering their sincerest thanks and best wishes.
